What a terrible, money greed move the PSC has done by banning Uber.

Shame on you!

Hi,

My name is Katie Gould and I am a student at the University of South Carolina in Columbia. I am appalled at what I have been hearing about the actions taken towards uber in this state. I am a resident of North Carolina, but none the less use Uber and love it. It's a safe, cheap, accessible way to get a ride. The drivers are always friendly. To cease the legality of it all would cause a lot of issues for the students here at USC. You're making a mistake. Please consider this.

I am a frequent Uber user and have found the service to be more reliable, quicker and way more efficient service than traditional taxis.

Please don't shut down Uber service and stifle competition in our state.

Thank you.
